Non creda .v.g. che p. nò le scrivet, e p. nò haverle mán-
dato quelle herbe, io mi sia punto domesticato di lei
anzi ho tanta gran' desio d'intender di lei e de sue
case, che s'ella nò m'j scriva e raguglia. Et tutto
io nò la verrò più p. quel la Venus, cioè p.
mia Amicizia. Non gli ho mandato le herbe fino
a qui, o p. dir' meglio nò ho procurato di mandarglie-
le, p. che facendo un' libro a M.^o Filippo, sempre son-
stato l'Animo di mandarli cò questo p. maggior
comodo mio e de le herbe p. ciò che altrimenti facendo
m'j pareva si potessin' facilmente guastar, rompersi
e fraccassarsi. ma Ecco che la mia mala fortuna
ha' voluto che nel tempo, nel quale volevo
isciorrmi di questo obbligo, nò ho mai potuto ritro-
var quel memoriale nel quale esso obbligo si co-
tenea; del che m'ho tanto tanto fastidio che p. do-
lor son' quasi ~~stato~~ sciozzato. La onde ricorro alij
p. aguto, come ad' Achille. ella fà l'obbligo, ella
potrà quando uoglio disciorglo e torni questo noio
da torno: e questo cò mandarm' li nuovo la lista
acciò satisfatto .v.g. sia satisfatto anch'io. E ora p.
le prime l'aspetto. Intanto stia sano, e m'j Amico
come io Amo ed' Amico lei sempre. Il dì 8. di
marzo M.^o liij. D. V. S. D.^{no} e fratello
